The image shows the login page of Nginx Proxy Manager. On the left, there is a logo consisting of a colorful hexagon with a white 'N' inside, followed by the text 'NGINX PROXY MANAGER' and 'v2.11.3' below it. On the right, the heading 'Login to your account' is followed by two input fields: 'Email address' and 'Password'. Below these fields is a large teal button labeled 'Sign in'.

The image shows the 'Edit User' modal window. It has a title bar with 'Edit User' and a close button. The form contains three input fields: 'Full Name \*' with the value 'Administrator', 'Nickname \*' with the value 'Admin', and 'Email \*' with the value 'admin@example.com'. At the bottom right, there are two buttons: 'Cancel' and 'Save'.
