The screenshot shows the 'Add Let's Encrypt Certificate' dialog box. It contains the following fields and options:

- Domain Names ***: A text input field.
- Warning**: A blue triangle icon followed by the text 'These domains must be already configured to point to this installation'.
- Email Address for Let's Encrypt ***: A text input field containing 'kdpark@kw.ac.kr'.
- Use a DNS Challenge**: A toggle switch that is currently turned on.
- Warning**: A red triangle icon followed by the text 'This section requires some knowledge about Certbot and its DNS plugins. Please consult the respective plugins documentation.'
- DNS Provider ***: A dropdown menu with the text 'Please Choose...'.
- Propagation Seconds**: A text input field.
- Warning**: A blue circle icon followed by the text 'Leave empty to use the plugins default value. Number of seconds to wait for DNS propagation.'
- I Agree to the Let's Encrypt Terms of Service ***: A toggle switch that is currently turned off.
- Buttons**: 'Cancel' and 'Save' buttons at the bottom right.
